### Art. 2 Admission

Each applicant must have a qualified dentist fill out the special admission form provided by CSS.

### Art. 3 Reservations

- 3.1 CSS may impose reservations, which will remain in effect until a certificate from a qualified dentist is presented, confirming that the ailments have healed or the teeth have been repaired.
- 3.2 CSS does not grant benefits for the replacement of teeth that are missing at the time the insurance is contracted.

## III Benefits
